Please state and describe the goal of the Darden Independent Study.

What do you plan to do? Please provide a detailed description.

Please describe the learning outcomes for the student?

What are the deliverables?

Please provide information on any overlap (if any) between your independent study topic and topics covered in Darden's normal course offerings. A Darden Independent Study cannot cover the same material covered in a regular Darden course.

Please list all other Darden Independent Studies you have taken or are currently applying for and the faculty supervisor for that study. If the current proposal is related to any of these studies, describe the extent to which the current proposal differs from the prior proposal.
