Total Reporting	345	100%	326	\$11,291	\$13,000

Notes:

- The percentage of students for whom there is usable salary information is 94.5%.
- I/D refers to instances with insufficient data. MBA Standard guidelines require a minimum of three data points for each category and that the number of data points is equal to or greater than one percent of full-time graduates seeking employment. Data points not meeting both requirements will still display the number of employed graduates, but will show "I/D" for all salary calculations.
