Expert Tip: Interviews are conducted virtually via Zoom. We recommend familiarizing yourself with this technology prior to your interview.

Expert Tip: Our interviews are "blind," meaning your interviewer has not reviewed your file in advance of your meeting. They are also very conversational in nature. Be prepared to tell your story and discuss why MBA, why Darden and share your post-MBA career goals.

- Submit your enrollment decision notification form and deposit by the deadline

Expert Tip: All admitted students are automatically considered for a scholarship award. No additional paperwork is required. Scholarship decisions are posted at the same time as the admissions decision.
