

The Darden Grounds **BRAD Lab is on the Ground Floor of the Darden Camp Library**

- Head to the stairs that go up to Saunders Hall but do not take them, instead, veer to the right and take a right in the small corridor under the building. The BRAD Lab entrance will be just a few feet ahead on your right
- There is one UTS bus route that comes to the Darden School, the Gold Line. Please check their updated availability and schedule (Academic Route) via this link: <https://parking.virginia.edu/university-transit-service-fall-2021>
