UVA VC Conference Sponsorship Opportunities

The Richard A. Mayo Center for Asset Management is pleased to host the Third Annual University of Virginia Venture Capital Conference (UVAVCC) on 24 April 2026 at Darden Sands Family Grounds (Rosslyn, Virginia). Designed for VCs, LPs, entrepreneurs, and others interested in early stage investing, this year's conference will host a keynote VC market and policy presentation from the National Venture Capital Association, industry-focused panels with VCs and founders exploring Security in AI and Biotechnology, a current topics panel with LPs, and workshops on Negotiating Term Sheets and the Do's and Don'ts of Pitch Decks. UVAVCC will conclude with a networking reception open to all conference participants.
